Command Philosophy

- Company Focus:
  - **Readiness (Training and Maintenance focused on deployment)**
  - **Taking Care of Soldiers**
  - **Leadership**
- Lead by example; exceed the standard
- Play, train, fight as a Team; Train at the squad level
- NCOs are the backbone
- Information flow up and down the chain of command
- Solve problems at the lowest level; keep the chain of command informed
- INTEGRITY; bad news does not smell better with age
